Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

FILIVIVI s.r.l.

Folco - Martex - Lanerossi
Viale Trieste 62

36075 Alte Ceccato (VI), ITALY

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 12.0.04107**

Tested for harmful substances
according to Oeko-Tex® Standard 100

98.0.1888

Hohenstein

for the following articles:

Yarns composed of virgin wool, raw white, bleached and dyed and blended yarns composed of virgin wool/acrylic, partly finished with water and oil repellent finish as well as yarn composed of lambswool/polyamide and virgin wool/alpaca/acrylic, raw white, bleached and dyed.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.04.2013

Bönnigheim, 12.04.2012
